In matt tiles, a special layer is added on the topmost layer to achieve a non-shiny and subtle look.

The most prominent feature of matt tiles is their anti-slippery nature, which makes them ideal flooring options for all spaces, including those with high water usage like bathrooms, kitchens, and balconies.

THE SURFACE COMES TO LIFE

Whenever we start the designing process of a new product, we always make sure that the beauty and authenticity is there. Our source of inspiration is pretty cool – as we follow the wonders of the land as we find there the essence of our existence.

The series of Glossy is full of depth, simplicity, density and the ethereal. Our collection brings the beauty and the power of nature to your spaces. We truly believe nature can transform the spaces into the reality which we have always dream of.

So we always take inspiration from nature.
